Tonight's Game . . .

Fort Hays State makes its second home appearance of the season tonight, looking to get back on the winning side after last Saturday's 21-7 loss at Colorado State College.

Presenting the opposition tonight are the Mules from Central Missouri State College.

The Mules are 1-1-1 for the season. They lost to Pittsburg State 23-6, were tied 7-7 by Washburn and defeated Emporia State last weekend 7-6.

The Tigers have a 2-1-0 mark. They have defeated Southwestern Oklahoma State College 7-6 and Kearney State 21-13. Their loss came at the hands of the Colorado State Bears last weekend at Greeley, 21-7.

Leading the much-improved Mule ground attack is halfback Adolphus Mooney, 6-3, 225-pounder from Kansas City, Mo. Mooney keeps the opposition honest up the middle, and Willie Weaver, 5-10, 165-pound speedster, will make the ends and defensive secondary work to contain him.

Twenty-seven lettermen comprise the heart of the Mule squad. Several good freshman prospects and a few transfers have given the Missouri squad depth in key positions.

The Mules will be bent on revenge this evening for the 40-6 defeat handed them by the Tigers last year at Warrensburg. FHS pulled all stops and scored 21

points in the first quarter in cruising to the victory.

Tonight's game marks only the second time the two schools have met on the gridiron.

Fort Hays State will probably go with the same basic lineups that started against Colorado State last Saturday. The Tiger starting lineups have changed little since the season opened. Their potent ground game and ground defense should sparkle tonight.

Sophomore fullback Rich Dreiling continues to lead the FHS ground attack with 238 net yards in 46 carries for a 5.1 average. Bob Johnson is the second leading rusher with 150 net yards and Bob Anthony, senior fullback from Kensington, has totaled 105 yards on 39 carries.

Johnson is the total offense leader with 402 yards gained passing and rushing. He is the only Tiger to throw the ball this fall and has garnered 252 yards on 15 of 32 attempts. He is throwing at a 47 per cent completion rate.

Ron Morel continues to lead the pass receiving department with five receptions for 132 yards and two touchdowns. He also, by virtue of being the only one to punt, leads that category with 20 punts for an average of 38.4 yards.

Max VanLaningham, senior halfback from Concordia, is perfect from the extra-point kicking tee this season. He has hit five-of-five attempts.

Next Week's Game

Next Saturday the Fort Hays State Tigers will travel to Topeka to open conference play against Washburn University. Excluding the Ichabods' contest tonight with Southern Colorado, the defending CIC champions have an 0-2-1 record. They have lost to Kearney State 40-14 and Fresno (Calif.) State 54-0. They tied Central Missouri State 7-7 two weeks ago. The Tiger-Ichabod game will be played on Washburn's Homecoming Day. In history the Ichabods have won 20 contests from the Tigers while the Bengals have won seven. Three games have ended in ties. Game time at Moore Bowl will be 1:30 p.m.

One Year Ago . . .

The Tigers invaded the Mules' camp last year at homecoming and from the start of the game proved they were in command. Scoring 21 points in the first quarter, six in the second and 13 in the fourth quarter, they literally walked away from CMS. Bob Johnson led the Tigers with three touchdowns, all on the ground. The other Bengal tallies came on a three-yard pass from Johnson to Don Givens, a two-yard plunge by Steve Worley and a 10-yard pass from Leo Hayden to Max VanLaningham. VanLaningham kicked four-of-six extra points to close the scoring for the Tigers. The Mules' score came on a seven-yard run by Willie Weaver. Final score: FHS 40, Central Missouri 6.

McNeil has served McConnell as assistant for 13 full seasons, five at the College of Emporia and eight here at Fort Hays State. Liemohn coached at Wartburg College, where he made All-American as a player, and Rice University before joining the Tiger staff.

Head football coach Wayne J. McConnell is in his 10th season at Fort Hays State College. A 1934 graduate of Washburn University, McConnell also holds a master's degree from the Kansas State Teachers College of Emporia.

Tigers End Baseball Practice

Two weeks of fall practice for 40 Fort Hays State baseball squad candidates has ended.

Coach Bob Reising, in his first year at the Tiger helm, said the 40 were selected from more than 100 candidates who tried out during the abbreviated orientation practice.

Reising noted that the two weeks of practice were more of a "learning situation" than actual practice. "We worked hard on fundamentals and a better understanding of the game in general," he said.

Athletes participating in varsity football were excused from the fall tryouts. "They will get a chance to demonstrate their ability next spring," Reising said.

An assistant professor of English at FHS, Reising is starting his baseball program from scratch. The Tigers have not fielded a diamond crew since 1924.

PENNY EDWARDS—"MISS TIPARILLO"

What does she mean "cigars...cigarettes...Tiparillos"?

You'll be hearing that chant more and more—now that Tiparillos have arrived. And arrived they have. In all the right places. With all the right people.

The new Tiparillo has a neat, trim shape. It looks young and debonair. And its pearly, pliable tip pays more than lip service to your smoking pleasure.

And never before such mildness! The most careful blending of choicest imported tobaccos has seen to that. So, too, has the exclusive, veinless Ultra Cigar Wrapper* that burns so evenly and smoothly it insures complete mildness.

You can even see the mildness. The

surprisingly whiter ash is visible evidence. Smoker's proof. Here is flavor you don't have to inhale to enjoy.

"Cigars . . . cigarettes . . . ?" Who knows, maybe someday it will be just "Tiparillos!"

Why don't you ask for one today?

*T.M. GENERAL CIGAR CO.

Tiparillos are on sale at this stadium.

In 1963, we called Riviera "America's bid for a great new international classic car."

If imitation is any sign, we were pretty good prophets.

There are a lot of rough copies of Riviera on the road these days. (Even some of the cars made across the seas are straining to look like our Riviera.) And it flatters us. It seems our prediction has come true. Riviera is America's great international classic car. And it also seems to us that you would greatly prefer to own an original, not a counterfeit. Mainly because if you do settle for one of the imitations, you'll be nagged by doubts. "Wouldn't Riviera's Super Turbine transmission do a better job of easing me through that traffic jam?" "Would Riviera's plush bucket seats and squishy carpets and eye-soothing instrument panel make me feel more relaxed after a long trip?" "Would Riviera's incredible suspension and steering do a better job on that tight corner?" There is only one way to forestall these bothersome thoughts. Ask yourself first—"Wouldn't I really rather have America's one and only international classic car?"

Wouldn't you really rather have a Buick?

College Anthem

On the plains of Western Kansas
Stands a school we all love well.
'Twas built by the toil of our
fathers;

To its glory our voices swell.

Chorus:

Hail to old Fort Hays State!
Let your voices ring.
Praise for the Black and Gold
We will ever sing.
Long may our valor last
Through the future days,
Hon'ring and praising
Dear Fort Hays.

In the years the lie before us
We foresee our land's many needs.
Through the efforts of new
generations,
We'll go on to more noble deeds.

How do athletes handle athlete's foot?

**They follow their trainers' advice and
use Desenex® for prevention and treatment**

It's excellent protection against itching, cracking and irritation of Athlete's Foot. Helps prevent spreading, too. No wonder Desenex is the Athlete's Foot treatment most widely used by college football trainers.

We know you don't have a trainer to keep you on your toes. But that's no reason to suffer from Athlete's Foot. Start using Desenex yourself. Avoid Athlete's Foot problems with Desenex Powder or new, cooling Desenex Aerosol—and for treatment use Desenex Ointment. Desenex is guaranteed to work or your money back.

The Mules

Tonight's Opponent—Central Missouri

Central Missouri State College is located in Warrensburg, Missouri, 53 miles east of Kansas City on U. S. Highway 50.

CMS is a teacher training, vocation and liberal arts college, founded in 1871. The approximate enrollment on the Mule campus this fall is 6,200 students.

The Mules are a member of the Missouri Inter-collegiate Athletic Association and the National Collegiate Athletic Association.

CMS possesses the unusual nicknames "Mules" because of the background of the city of Warrensburg, once an important export market for the trading and selling of mules.

The Mules play their home football games at Vernon Kennedy Stadium. The first lighted field in the Missouri Valley, the stadium seats 5,000.

Football championships have eluded the Mules for the past nine years. They won conference titles in 1906, 1912, 1913, 1914, 1915, 1926 and 1956.

The Mules entered football competition in

1894. They joined the newly formed Athletic Association in 1895 under the direction of Coach Joseph Ferguson. Ernie Quigley of football fame was a member of the 1901 CMS Normal squad.

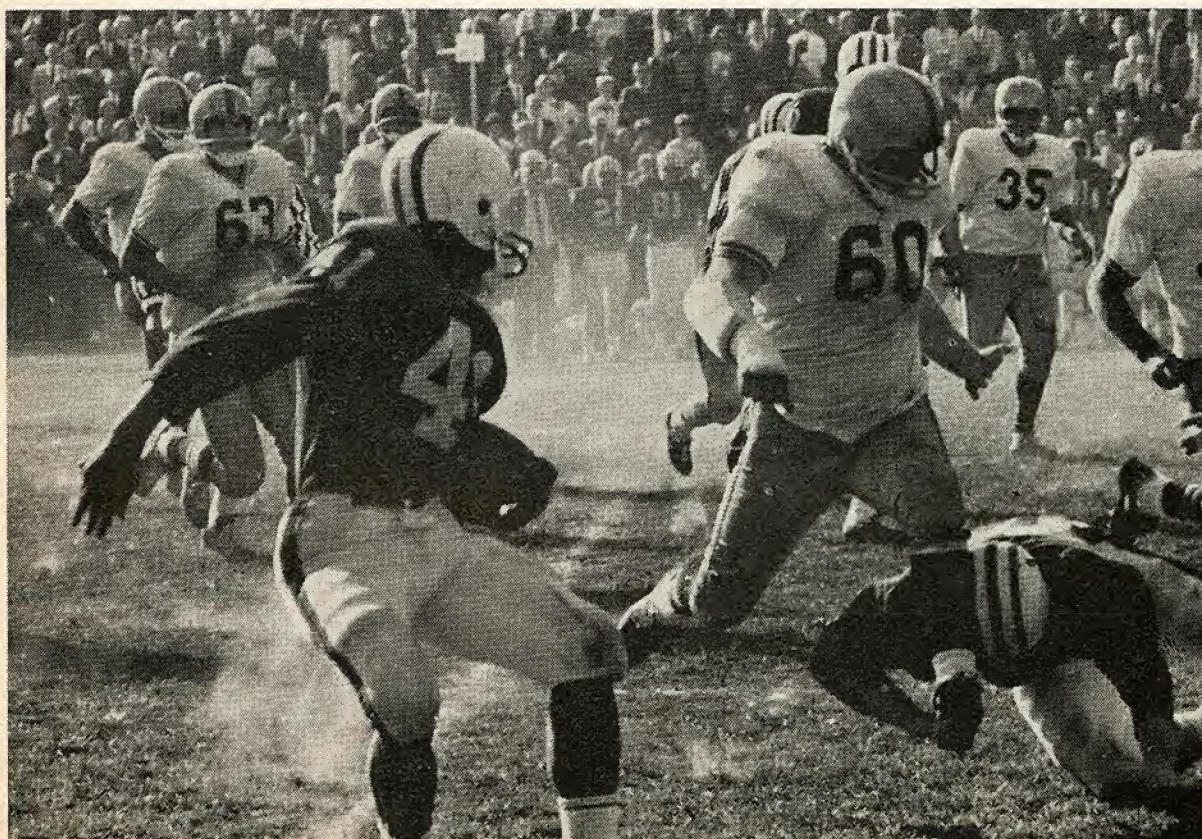

Forrest C. (Phog) Allen, former basketball coach at Kansas University, was football coach at Central Missouri from 1912 to 1919.

With 27 lettermen back to play this fall, Coach Kenny Robb said, "We are looking to getting our heads above water." The Mules have not fared too well the last two years (2-16-0), but with a veteran crew they are expecting to change things.

The Mules play a nine-game schedule with four non-conference games with CIC teams. Aside from FHS, they have already played Emporia State, Pittsburg State and Washburn.

Pittsburg State defeated the Mules 23-6 and Washburn tied them 7-7, but Central Missouri trimmed Emporia State 7-6. The outcome of tonight's contest could have a bearing on how the Tigers might stack up against these other CIC schools who have played the Mules.

Action from Last Year—

WILLIE WEAVER — Central Missouri speedster tries to turn the corner on the Tigers in action from last year's contest played at Warrensburg. The Bengals opened a 21-0 first quarter lead, then coasted to a 40-6 win.

HALF TIME-ANYTIME-MAKE IT MILK!

Busy football weekends call for extra energy. And that calls for a refreshing glass of milk. Milk is nature's vitality drink . . . that helps you stay in peak condition, sees you through the busiest fall days.

Half time; snacktime, anytime—when you take a break, make it milk. Keep up with the fun with milk's vitality!
